3M or T4000  
DOUBLE ADHESIVE TAPE

- NOTE: 1. Height include adhesive tape, not include release paper.  
 2. There might be a waist shrink in cutting process, it is a normal phenomenon.

|                                                                                                                                                                                                                                                                                               |              |                          |          |                                              |  |                                                                                                   |  |
